

## Top 10 ways Care.com can make your life easier

Care.com helps you find caregivers for your home and your family, including your children, parents, grandparents and pets. Sign up at [AECOM.Care.com](https://www.Care.com) (click on the Canadian flag) and search for free – AECOM pays your annual membership fee.

- 1 Prevent homework blues or prep for college.**  
Whether your child needs help with a specific subject, improving study habits, writing a paper or preparing for college, Care.com can help.
- 2 Keep your pets looking posh and acting their best.**  
Find caregivers to keep your animal family members healthy, happy and safe with Care.com's broad array of caregivers and services for pets.
- 3 Find summer care and keep boredom at bay.**  
Care.com can help you find a summer nanny, summer day care, full- or part-time sitter — or a combination of options — to help you keep the kids occupied and active.
- 4 Worry less about Mom, Dad or Nanna with elder care.**  
Care.com can help you find caregivers for elder and other adult family members — part-time, full-time, in-home, outside the home or whatever you need.
- 5 Find specialized caregivers for your special needs child.**  
Children with special needs require caregivers who are tuned in to their unique challenges based on their disability or diagnosis. Care.com can connect you with specialized learning centres, home tutors, therapists and resources in your community.
- 6 Escape for a date night or other kid-free time.**  
Find, interview, book and pay available sitters near you in just a few steps.
- 7 Transition back to work confidently.**  
Care.com can help you find reliable child care, so you can make a successful return to work after parental leave.
- 8 Free yourself from chores and errands.**  
Care.com can connect you with errand runners, house cleaners, gardeners and other household help. These multi-tasking professionals are available to help you master the art of running a home.
- 9 Relax on vacation.**  
Use Care.com to find someone to look after your pets and home while you enjoy some downtime with the family.
- 10 Know the going rate for caregivers.**  
Average hourly rates are available for all types of caregivers, plus Care.com has pay calculators for child care, pet care and housekeeping based on your postal code and care needs.
