Extended Family Benefits

These services also extend to your parents and in-laws!

How it works

1

Initiate your Expert Medical Services online or by phone to start a case.

2

We'll coordinate your review with a team of specialists and guide you through the next steps.

3

Receive clinical guidance and recommendations according to your specific needs.

We are committed to making clinical quality and convenient virtual care our top priority. That includes extending access to medical experts wherever you are.
